MEMORANDUM FOR: Director, Office of External Affairs  
FROM : Clarus W. Rice  
Director of Central Reference  
SUBJECT : C-SPAN Television Support  
REFERENCE : OEXA 82-2819, Dated 13 December 1982,  
Subject: Access to C-SPAN

1. This memorandum acknowledges receipt of your request for access to C-SPAN television coverage of the House of Representatives, grants approval in principle and outlines actions that will be necessary to implement the service.

2. The satellite antenna in the North parking lot is capable of receiving C-SPAN broadcasts, but before we are authorized to receive C-SPAN transmission, OCR must obtain reception approval from the broadcaster. We have initiated action to obtain this approval and anticipate no problem in obtaining the authorization. OCR will notify your office as soon as we obtain that approval.

4. The Office of Central Reference has responsibility for reception from the satellite dish to the terminal equipment in our Pictorial Services Branch in 1E4821. The Office of Communications is responsible for connecting user offices with this terminal. Your administrative officer should contact the Office of Communications [redacted] Chief, TSB/DND/OC) to determine cable and video terminal equipment required to receive the service you desire. The OCR Logistics Officer, extension [redacted] is also available to assist in this action and to provide guidance. Any funding for installing the cables and terminal equipment would be handled by your office.

STAT

SUBJECT: Access to C-Span

1. It is imperative that the Director, Office of External Affairs and the Chief, Legislative Liaison Division, OEXA, have access to the C-Span television coverage of the House of Representatives. One of the duties of both of these positions is to monitor the proceedings of the Congress and alert the Director of Central Intelligence and the Deputy Director of Central Intelligence to matters affecting this Agency.

2. It is requested that arrangements be made as quickly as possible to install the required equipment. It is our understanding that the estimated cost will be \$1,000 for both of these installations.
